

## Summoning Spring: Flowers in March

Acrylic painting workshop with Noreen Spence \$60

Saturday, March 24 1-5pm at the Terrace Art Gallery Canvas Provided

Learn an intuitive and expressive approach to painting flowers.  
No models. No still life compositions. The flowers are within you!  
This workshop is suitable for all levels of experience.

Bring a little colour and joy into your world while you wait for Spring.

### Materials list:

- Brushes (Noreen will have some which can be borrowed for the day)
- Acrylic Paint (preferably good quality)
  - You can use Noreen's fabulous Golden Acrylics for \$10 extra – you will get enough to finish your painting.
- Sta-wet palette
  - The sta-wet palette will keep your paint moist and useable for weeks. Without it, the paint dries within hours. Worrying about wasting paint will cause you to squeeze out stingy little amounts. Stingy spots of paint on your palette will lead to stingy little paintings. I want you to have fun and feel free. Lovely pools of paint lead to expressive full paintings. The sta-wet is a must.  
They can be purchased for approximately \$30, but they are simple to construct as well. If you would like instructions on how to make an inexpensive one, please contact Noreen.
- Old towel
- Roll of bathroom tissue or Kleenex (not for crying)
- Container for water
- Easel
  - Some easels are available. If you would like to borrow one for the day, please indicate this when you register. *First requested, first received.*

Canvases will be provided.
